Investor Owned Properties by Neighborhood*

- Clarke Square
- Riverworks
- Sherman Park
- Washington Park

Property-to-Owner Connection
Owner Address

City Limit
Milwaukee County
State of Wisconsin Counties

*Neighborhood property data was obtained from each neighborhood association. The map depicts investor owned properties for each neighborhood using a color-coded dot layer. In addition, each line connects the neighborhood property address to the address of the owner.

There was a total of 140 investor owned properties combined for all four neighborhoods. 22 addresses were excluded from the analysis and are not depicted on the map due to insufficient address information for the owners (e.g. P.O. Box) which leaves a total of 118 investor owned properties.

Of the 118 investor owned properties, 48 (41%) of the owners reside outside the City of Milwaukee. 21 were from different municipalities within the state of Wisconsin and a total of 16 owners from nine different states. Lastly, there were six owners with multiple properties, only one had different properties across neighborhoods.
